

DATL ONLINE LEARNING CHOICE BOARD

Stay tuned: Art from the Heart is going VIRTUAL!

Pick one activity from each row (Independent Reading, Word Work, Read Aloud etc.) every day. If you don't have a lot of time choose one Heart Art activity to pass in virtually to your teacher, read daily and complete at least one math activity, one writing activity and one word work activity. While on your nature walks start collecting items like twigs, rocks, leaves, acorns, pinecones etc. Keep them in a container or bucket and stay tuned for an Art from the Heart online learning video next week! Take along the bug scavenger hunt (see attachments) and see how many BUGS you can find! You can put a date by each bug you find to see when each one starts to be seen. This way you have a record of long it took to find ALL the bugs.
